We cordially invite you to be a vendor during Aledo's Holiday Vendor Market, Friday night, Dec. 2nd and Saturday December 3rd. This event is a wonderful event that grows every year and has been a tradition in Aledo for decades, sponsored by Aledo Main Street. Friday night will begin with a one of a kind Electric Parade, great shopping, visits with Santa, yummy treats, and much, much more. Join us for a cozy, quaint and charming country Christmas in the heart of Aledo – our Historic Downtown.

You will be offered generous spaces **10' x 10' for \$20** The event will run from 5-8PM Friday and Saturday 9AM –3PM. We are looking for bake sales, crafters, and home based businesses (example 31, Tupperware etc.) You **MUST** commit to both days for this event.

We have received positive feedback from the community about this event and have other organizations interested in helping grow the event. Space is limited, so please do not delay, we hope to hear from you soon!
